ORIENTATION MAP OF SOUTH AFRICA

MASHATU GAME RESERVE WITHIN THE NORTHERN TULI GAME RESERVE

THE MALAMALA GAME RESERVE

The MalaMala Game Reserve comprises the largest tract of privately owned Big 5 game land in South Africa. MalaMala's world-wide renown has been gained due to its uncompromising high standard of service, sound conservation management policies and the fact that it consistently provides the finest game viewing on the sub-continent. The game viewing successes are a direct result of the vast area of land owned, a 19 km (approx 12 miles) unfenced boundary with the Kruger National Park and the fact that the Sand River flows through the property for approximately 13 km (approx 8 miles) assuring a plentiful supply of water at all times. The MalaMala camps are situated on the western side of the river, thus ensuring that unhindered access to the river is afforded to all animals approaching from the Kruger National Park.
